

My name is Dr. Timothy Sumerlin, director of In Motion Counseling. Allow me to share about my weekend visits and how I can help your church to grow in faith, overall spiritual health, evangelism, and your financial giving.

I offer an inspirational, thought-provoking, and empowering weekend, and leave behind two sustainable ministries: ***Disciples In Motion*** and ***The Grief Journey***.

The ***Disciples In Motion*** recovery ministry is innovative, effective, and Jesus-centered and has distinct features that align with ICOC churches:

- Who comes to *Disciples In Motion*? *Anyone with anything*, that interferes with their walk with God...anything.
- Members are encouraged to be more involved in your church's small groups.
- We protect the dignity of members by fostering a safe & confidential environment.
- *Disciples In Motion* is sustainable: only two 10-week sessions per year and facilitators also work in their regular positions of leadership. I will train your hand-picked facilitators.

Secondly, I present ***The Grief Journey*** workshop. This empowering Saturday afternoon workshop is open to the public and is a great visitor bringer! As you know, we are experiencing ongoing losses in our fellowship and have no systemic way to meet our grief needs. I've recently published (IPI books) a grief book, *The Grief Journey: Finding Peace in All of Life's Losses* that has begun to meet this tremendous need in our fellowship. Again, I train selected facilitators to lead these groups.

Finally, I offer a time to train your small group leaders on ***Jesus Listens and Questions: Counseling Lessons from a 12-year old***. This fun, inspiring, and informative time gives your small group leaders essential skills to help in counseling their members.

We Make the Difference: Standing in the Gap of Suicide Ideation. This workshop is presented to teen workers and parents of teens to inform them how to recognize the signs of suicide

ideation and how to respond. I also work with church leaders to implement a protocol to deal with this alarming trend among our teens.

I offer this weekend (along with ongoing group leader training via SKYPE) for a low fee of \$2,500 plus expenses. This fee is pro-rated for smaller churches.
